

Men's Auxiliary News,

To all Men's Auxiliary Members, we are receiving dues notices from VFW National, we would like to see the members pay their dues at the clubroom, or to our Treasurer Ron Stillman so we can keep an accurate count of our paid membership. I would also like to see all Men's Auxiliary members that are available to be here on September 13th to help with the JB Vets fishing visit.

We have our Gas Card Raffle available at the clubroom, and the drawing for the winner of this card will be held the last day of each month. Tickets are \$1.00 each or 6 for \$5.00, all you have to do is ask a bartender for tickets.

We encourage our members to join us in helping with all of our events.

The Kitchen is now open, and we would like for our members and their families to come out and give it a try. The food is good, and the price is very very reasonable.

Hoping to see everyone come out and support the club, if you have any questions concerning membership contact me, or any other Men's Auxiliary Officer.

Please keep the men and women in our armed services in your prayers, also our POW/MIAs

Your Men's Auxiliary President,

Don Howard

PS – I'd like to thank everyone for the cards and thoughts from the VFW, during my recovery
